

Caddock REACH Compliance Statement

This document is Caddock Electronics' statement regarding EC Regulation 1907/2006, also known as REACH (Registration, Evaluation, Authorization, and Restriction of Chemicals).

Under the REACH Regulations, Caddock Electronics Inc. is an "Article Supplier" that Exports Articles to the EU. As a producer of "Articles", Caddock is affected by Article 7 (with the referenced Articles 57 and 59) and Article 33 of the REACH Regulation 1907/2006.

Article 7 "Registration and notification of substances in articles"

1. Any Producer or Importer of articles shall submit a registration to the Agency for any substance contained in those articles, if both of the following conditions are met:
 - a. The substance is present in those articles in quantities totaling over 1 tonne per producer or importer per year;
 - b. The substance is intended to be released under normal or reasonably foreseeable conditions of use.

Caddock's Response: Caddock's High Performance Film Resistors do not contain any substances that are "intended to be released under normal or reasonably foreseeable conditions of use".

2. Any Producer or Importer of articles shall notify the Agency if a substance meets the criteria of Article 57 and is identified in accordance with Article 59, if both of the following conditions are met:
 - a. The substance is present in those articles in quantities totaling over 1 tonne per producer or importer per year;
 - b. The substance is present in those articles above a concentration of 0.10% weight by weight.

Caddock's Response: Caddock High Performance Film Resistors do not contain, in excess of 0.10% of component weight, any of the 174 substances listed on the "Candidate List of Substances of Very High Concern" updated on July 7, 2017. This applies to Caddock Products manufactured after January 1, 2005.

Article 33 "Duty to Communicate information on substances in Articles"

1. Any supplier of an article containing a substance meeting the criteria in Article 57 and identified in accordance with Article 59(1) in a concentration above 0.10% weight by weight shall provide the recipient of the article with sufficient information, available to the supplier, to allow safe use of the article including, as a minimum, the name of the substance.
2. On request by a consumer, any supplier of an article containing a substance meeting the criteria in Article 57 and identified in accordance with Article 59(1) in a concentration above 0.10% weight by weight shall provide the consumer with sufficient information, available to the supplier, to allow safe use of the article including, as a minimum, the name of the substance.

Caddock's Response: Caddock High Performance Film Resistor Products do not contain, in excess of 0.10% of component weight, any of the 174 substances listed on the "Candidate List of Substances of Very High Concern" updated on July 7, 2017. This applies to Caddock Products manufactured after January 1, 2005 and procured from Caddock Electronics or an Authorized Distributor.

Caddock has taken reasonable steps to provide accurate information about Substances of Very High Concern in materials that are provided to Caddock and used in Caddock products. Caddock relies on data supplied by, and statements made by suppliers of materials for this information.
